

STI Wireless Alert Series with Voice Receiver

STI-V34300

STI-V34400

STI-34188

KEY FEATURES

General Information

- Wirelessly monitor up to 4 different devices and know what is happening in your home/building.
- Receiver will sound programmable voice messages, alerting a monitored site has been tripped.
- One year warranty.

Design

- A wireless signal is sent from the sensor to the receiver, alerting a monitored site has been tripped. The 4-Channel Receiver beeps and flashes, the 4-Channel Voice Receiver sounds a programmable voice message.
- Four zone light indicators.

Construction

- Latching and auto restore mode of operation.
- 433 MHz wireless frequency.

Installation

- No difficult wiring. 4-Channel Voice Receiver has easy programming voice prompt and recognises transmitter.
- Easy installation.
- Operates up to 1000' line of sight range between transmitters and receiver. STI-V34600 offers 500 foot line of sight range.

Electronics

- Latching and auto restore mode of operation.
- Supervised battery and signal reception.
- Includes battery.
- 433 MHz.
- When motion is detected, the sensor sends a wireless signal to an indoor STI receiver.

Options

- Has an on board reed switch, remote set of terminals (includes a magnetic contact with 18 inch lead for irregular installations) or can be used as a tilt switch.
- Monitors: open/closed garage door, mail delivery, fence, gate, shed, front/side/slider/back door, window, cabinet, etc.
- 4-Channel Voice Receiver offers 10 tones/tunes and 53 selectable words (English or Spanish).

PRODUCT OVERVIEW

The Wireless Alert Series wirelessly monitors up to 4 different STI devices at a single, convenient location. When the included 4-Channel Voice Receiver detects a tripped site, it sounds programmable voice messages to alert which transmitter has been activated. The receiver offers ten tones/tunes and 53 selectable words (available in English or Spanish). Supervised for low battery and signal reception, it operates up to 300m (line of sight). Monitors: open/closed garage door, mail delivery, fence gate and medicine cabinet, etc.

HOW IT WORKS

Wireless Mailbox Alert (STI-V34200)

When a mailbox door is opened, the included receiver will sound a programmable voice message, eliminating repeat trips to an empty mailbox.

Wireless Garage Sentry® Alert (STI-V34300)

Included receiver sounds programmable voice message when garage door is opened and provides an open or closed door status.

Wireless Universal Alert or Wireless Door Chime (STI-V34400 or STI-V34500)

Universal Alert will let you know if the monitored site is tripped. A wireless signal is sent to the included receiver. Can be used on a medicine cabinet, fence gate, window, shed, etc.

Wireless Doorbell Button Alert (STI-V34600)

Water/weather resistant button sends a wireless signal to the receiver when pressed. Operates up to 150m (line of sight).

8-Zone Relay Board (STI-34188)

Provides an individual dry Form "C" contact per zone. Relays follow input to receiver supplying an individual output per zone. For use with STI-34108 only.

STI Wireless Alert Series with Voice Receiver

Dimensions and Technical Information

MODELS AVAILABLE (INCLUDES VOICE RECEIVER)

STI-V34200	Wireless Mailbox Alert with voice receiver
STI-V34300	Wireless Garage Sentry Alert with voice receiver
STI-V34400	Wireless Universal Alert with voice receiver
STI-V34500	Wireless Door Chime with voice receiver
STI-V34600	Wireless Doorbell Button Alert with voice receiver
STI-V6200WIR4	Wireless Theft Stopper with voice receiver
STI-V6400WIR4	Wireless Exit Stopper with voice receiver

Sensors:

STI-34201	Mailbox Alert Sensor
STI-34301	Garage Sentry Sensor
STI-34401	Universal Alert Sensor
STI-34601	Wireless Doorbell Button Sensor
STI-6200WIR	Wireless Fire Extinguisher Theft Stopper Sensor
STI-6400WIR	Wireless Exit Stopper Door Alarm Sensor
STI-6517B	Wireless Stopper Station Shield with Sound and Wireless Transmitter

Receivers:

STI-34098	Single Channel Slave Receiver
STI-V34104	4-Channel Voice Receiver
STI-34108	8-Channel Receiver

Accessories:

STI-30105	Extended Antenna
STI-34099	Single Channel Slave Receiver Case
STI-34105	Voltamax 12 VDC (500 mA) Power Supply
STI-34106	Key Fob
STI-34109	Repeater
STI-34188	8-Zone Relay Board for STI-34108

APPROVALS & WARRANTY

Testing

· FCC & IC Compliant
